

The City of Covina is pleased to support and partner with businesses located within our jurisdiction.

To determine whether a business is located within the City limits, check the street address. If the address is 2999 or lower, the business location is in the City. If the address is higher than 2999, but has a Covina CA mailing address, the location is in an unincorporated area of Los Angeles County.

The City of Covina provides a web site [www.CovinaOpportunity.com](http://www.CovinaOpportunity.com) that provides information on demographics, sites available, and Business Assistance Programs available in Covina. Those with existing businesses, new businesses, entrepreneurs, franchisees, brokers, and developers are invited to take advantage of the information that this site provides.

While some of the resources listed here are provided regardless of location, others are specific to either the City or the County. Business Resources:
